February's newsletter

Putney, Home of Rowing

We want to show the world what a great place Putney is. Last year a record 270,000 people watched the Boat Race from the banks. Please start thinking about how you can make your window have the 'wow' factor. From Monday 26th Feb we will be giving out bunting and window stickers to businesses to show our support for the rowing events that are held in March. Let us know of any special offers you will be holding in your business to invite people in at this time and we can help with advertising.
